

Hello!

I bring you a warm welcome to Mustard Seed Kidz, preschool and child development center. I like to think of Mustard Seed Kidz as a place that you and your children consider your second home ... a place where you are accepted and loved ... a place where laughter and play are cherished ... a place where children's curiosity and playful nature are given a warm response.

I hold special pride in the center's professional staff. Selected for their knowledge of child development as well as their strong interpersonal skills, they are the strength of our program. I know that you will be strengthened in the wonderful, caring nature which flows forth from each member at Mustard Seed Kidz.

It is my role and the roles of my staff to not only facilitate the learning of children and parents, but also of one another. We look forward to your family joining us on this wonderful journey. Feel confident in knowing that you are making a wonderful choice with Mustard Seed Kidz. We will work diligently along side of you to bring your child up in a loving, caring and Godly environment. Your child will flourish as they are strengthened in the love of the Lord and the diligence of their educators.

Please take the time to fill out the attached information and return it with your enrollment fee. Upon receiving your enrollment fee, we will lock your child's space in his or her class. The enrollment fee applies to all classrooms except VPK only. Wrap-around care does require enrollment. Classes are filling up quick.

Thank you for entrusting your most precious children to our care. I look forward to a personal relationship with both your child and your entire family. May the Lord bless you as you make a choice to put Him first in your child's education.

Blessings,

Heather Joyner
